

Kumudini Welfare Trust (KWT) in collaboration with the Ministry of Finance is implementing the Project named "Skills for Employment Investment Program" (SEIP). In the first phase, Kumudini Nursing School & College (KNS&C) shall run a total of 5 post graduate Specialized Nursing Courses in the fields of Renal, Pediatric, ICU, Trauma and Oncology. In addition, a Caregiver course will also be run. The curriculum for these courses is being developed by Yonsei University, Korea and accreditation of the courses will be provided by Inha University, Korea. Faculty members and senior administration officials from Federation University, Australia will help the local teachers and administration in running the courses.
